

Send **All** My Friends to School

Tasui, from Nigeria

Meet Tasui. He is fifteen years old.

Tasui lives in Nigeria.

Nigeria is a country in Africa.

This is what Tasui says:

“I got polio when I was young.

I can’t walk like the other children.

I walk on my hands and knees.

I used to go to school.

I would leave early in the morning to get there.

Now I help my family at home.

I work in the market too.

I want to earn money for school fees.

I want to go back to school.

I want to be a lawyer so I can help people.”

Why does Tasui want to go back to school?
