

# Send **All** My Friends to School

**Abdi, from Nigeria**

Meet Abdi. He is twelve years old.

He lives with his uncle in Nigeria.

Nigeria is a country in Africa.

Abdi has epilepsy. When he feels weak he does not go to school.

He often misses lessons.

There are 40 people in his class.

His teachers are too busy to give him the help he needs to catch up.

Abdi's uncle says "Abdi loves to go to school. He is a special boy."

Abdi has many friends at school.

They all want him to have the help he needs.
