Borsha, from Bangladesh

Meet Borsha. She is nine years old.

She lives in Bangladesh.

Bangladesh is a country in Asia.

Borsha is blind and she goes to school.

Borsha's teacher is called Hasina.

She helps Borsha to learn Braille.

Braille is a language for blind people.

Borsha reads by touching dots on the page with her fingers.

She loves school.

Many blind people in Bangladesh don't go to school.
